## Travelling East MAGA Caravan Style...

Several meetups along the way and I have to say that this whole experience is bringing tears to my eyes multiple times since we left this morning. God is with us and the truth is on our side. Those of us going are honored to represent those who cannot. We will be a presence in DC they cannot deny. The truth will carry on!

We reached northern VA a couple of hours ago as part of a small convoy. Eight armored Terrier LT-79's with armed bodyguards we hired for round trip transport for just over \$20k total and well worth it. They will take us into D.C. along one of several pre-planned routes and we are prepared to get there on foot if the need arises. We decided to go all out for this once in a lifetime opportunity. Be smart and be safe. This is a peaceful protest, not war. Trump has assured us that he has enough evidence that it will not need to come to that.

2 THANKS. Stop at REI to get some silk long underwear. They are the warmest thing you can have... from an avid camper.
